Stay Beautiful

*Our manufacturing company founded in 1977 and since that date we are serving to well known brands in our manufacturing facilities.*

*We do not offer only a wide range of jerseywear and woven fabric choices to our clients , but also very actual and stylish design ideas as well.*

*Every season with our new fabric choices and design ideas, we love to visit and support our client's design teams and learn their requests from us for their following collection.*

*Our company also offer a great choice of garment finishing and washing options just as we offer a wide range of placement print and all over print ideas.*

*We have a flexible manufacturing structure in our facilities suitable for compact number of orders in competitive price levels, as well as large ones.*

*Would love to visit your company just as would be very happy to welcome you in our show room and facilities.*
